Hello Ricardo,

Thank you very much for doing duct cleaning at my place!

I was very impressed at your thoroughness while cleaning the duct. You ~~a~~ washed all the screens, wall screens and floor screens; you inspected duct condition and patched the pipes where there were leaks; and you cleaned all the air tunnels, including the pipes for dryers. The house ~~is~~<sup>air</sup> smells fresher before you complete the cleaning.

You are the best duct cleaning company I have ever experienced.

Great appreciations to you and your crew for working so hard and treat all the job details with great care and seriousness.

I will have you back for more cleaning and recommend your company to everyone who wants duct cleaning.
